# History

Four years have come, and gone. We hold in our hearts a memory of those years, and we wonder what will happen in the years to come.

September 27, 1953, was our first day at East Side. We were all shaky inside with wonder at the new, strange school we were about to enter. Suddenly we heard many voices calling, "Freshie! Freshie!" We tried so hard to ignore them, and to act as adults, but still they knew, and continued to call us names. We couldn't understand then how they knew we were Freshmen, but they did.

We were finally settled in home rooms. The following day schedules were issued and we tried to find our classes. At this time we were told to go down to the basement for room 301. The Seniors and Juniors tried to sell us elevator tickets and they succeeded with some of us. But, that is how it goes when you are a Freshmen B.

We adjusted to the up and down stairways, but there were still some mix-ups. We'll learn, we thought. No more elevator tickets for us. We know almost all the ropes.

A year passed and we became Sophomores. All the teasing and mix-ups of our Freshmen year were past. We were real big shots now. We began to realize how every one knew we were Freshmen, and we gave the new Freshmen the same treatment we had received throughout our Freshmen year.

During the 10A term we began to notice all the different clubs and activities that were available to us, and we joined in this work. This year we went to football games, and had fun at them. We used to go home hoarse from the cheering and the singing, on the buses.

This year was also the start of our class treasury. What a time our representatives had, trying to collect dues! But we soon realized their importance, and hopped to it.

Another year passed and we were Juniors. What a wonderful feeling when someone said, "Are you a Junior?" and we answered "yes," very proudly. Gee it felt great! This year was also great for another reason. On November 27, 1955, we received our rings. What a thrill it was to put them on and show them off! Many of the girls were fixing their hair or doing something or another that would call attention to their rings.

Our happiness was interrupted by the passing away of our beloved coach, Mr. Michael Windus. His kindness and good heartedness was shared by all. This man meant more to us than just a coach, and his passing away did not mean we would forget him, because his memory is in our hearts forever.

Another important event was on January 13, 1956. We held our very first dance, named "Starlit Winter Night." What a wonderful night it was too! All the girls were dressed their very best and all the boys looked mighty sharp. But, why do boys love to hold up the walls in the gym? Honest boys, they won't fall down. All kidding aside, everyone had a wonderful time; even though we were all worried about the dance being a success. After all, thirteen is an unlucky number. But we fooled that old superstition and had a successful dance.

A half-year passed very quickly, and on April 13, 1956 we held our second dance called the "Junior Hop." What a hopping success it was too! And unlucky thirteen becomes lucky thirteen to the class of June, 1957.

In this term, many of the musical students tried out for All-State Chorus. Only two out of the many students who tried out were accepted. They were Sylvia Lee and Virginia Williams.

At last the long awaited Senior year had come. Seniors, can you imagine how we felt? Well it was wonderful!

After being slightly settled in our new classes and all, we gave a dance called "Harvest Moon" on October 5, 1956. We held a jitterbug contest and we all had a good time participating in it. A group of boys and girls sang, "Shine on Harvest Moon" and we all joined in on the chorus. It was really good.

Election of officers for our class was held. The results were as follows:

President . . . .	John Simoes
Vice President . .	Marie Rodrigues
Secretary . . . .	Dorothy Kopacz
Treasurer . . . .	Pete Sesnick

Another moment of sorrow interrupted our lives when Dr. Henry A. McCracken, our principal, passed away. He not only had the cooperation and respect of the entire faculty, but also of the student body of East Side. He was loved and respected by all. His passing away will indeed leave a marked affect upon the lives of all of us.

Our graduation pictures were taken and they were all very nice.

On November 16, 1956, we had our Senior Day. We all were looking as nice as can be in our new dresses and suits, and the red and white carnations showed up beautifully. The show the Senior A's gave was both exciting and funny. The memory of receiving the Torch from the Senior A President will linger in our hearts, always. We also enjoyed the dance afterward, and the memory of that day will never be forgotten.

Many exciting things happened in our twelfth year, but the most cherished memory was our Senior Prom. How beautiful it was. Every girl was beautiful and every boy handsome. It was called Winter Fantasy and was held at the Essex House on December 7, 1956.

Our last term has come. Graduation day is not many days away. On February 15, 1957 we held another dance. Then, in April, we had our second Senior Day, but this time we were the ones giving the show and John Simoes turned over the Torch to the future Senior A President. But there is a bit of sadness mixed with the fun of this day, for we have only a few more weeks left at East Side.

On Friday June 14th we held our Farewell Dance. It was a wonderful dance even though many felt like crying. But after all we have to graduate and that in itself is wonderful.

Commencement was held on the evening of June 19th, and that memory will last forever.

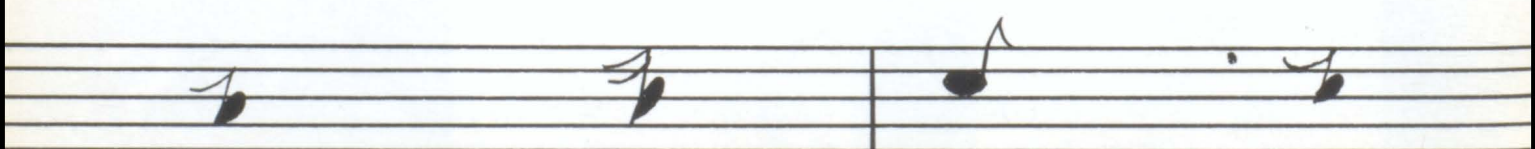

The four years that have passed were wonderful. East Side has made men and women out of us. Wherever we go, whatever we do, we shall never forget East Side and all the happy memories those four years bring to us. We have many more years ahead of us. No one knows what they will hold, but we are all willing to seek our own fortune. May it bring happiness and success to all of us.

## *Last Will*

We, the members of the Class of June, 1957, being of sound mind, memory and understanding, do hereby make, publish and declare this to be our Last Will and Testament:

First, to Mr. Ackerman, our new principal, we leave our best wishes for a pleasant administration, and years of happiness in our school.

To Mr. Griffiths, we leave our thanks for everything he has had to do this year.

To Dr. Lewis, we leave the problem of seating 2,000 students in an auditorium which has a seating capacity of 1,400.

To Mrs. Malbrock, our class adviser, we leave a fool-proof accounting system and a class that will pay its dues on time.

To Mr. Horwitz, our class adviser, we leave the terrifying thought that there could be another home room 3, and a twenty-foot bull-whip to conduct orderly class meetings.

To Mrs. Weinstein, who was our counselor until she left us in February, we leave the memory of happy years at our school.

To Mr. Bogatko, we leave a new list of songs to whistle for the year 1957.

To Dr. Cavicchia, we leave our thanks for the efforts he has put forth on behalf of our Torch and a staff of ten to help him next term.

To Mr. Bloch, we leave the famous "Bloch Cartoons" for his future U. S. History classes.

To Mr. Moore, we leave an efficient private secretary (male) to help him accomplish his day's work.

To Mr. Jannone, we leave the latest Elvis Presley record album.

## *and Testament*

To Miss Smith, we leave a home room full of honor students, and girls who will become secretaries who bosses dream about.

To Mrs. Kelly, we leave a bevy of intelligent and beautiful girls for her Business Club.

To the remainder of the faculty, we leave our best wishes and the thought that we have learned something in our four years.

To the Freshmen, we leave the thought of class meetings, elections and getting to know their teachers, and also a new edition of the school map.

To the Sophomores, we leave the thought that they are now getting up in the world.

To the Juniors, we leave the thrill of receiving their school rings and the famous words of their advisers, "Pay your dues."

To the Senior B's, we leave the "Torch" with the hope that they keep it burning as brightly as it has in the past.

To the entire student body we leave the hope that their remaining years at East Side will be as pleasant and as profitable as were ours.

In witness whereof we have hereto set our hands and seals this 19th day of June, in the year of Our Lord One Thousand Nine Hundred and Fifty Seven.

by Virginia Williams

I learned a lot while housed inside these walls,  
And yet I have only, as a babe, begun to crawl.  
I am not through.  
This knowledge I obtained, I cannot lose.  
What I have learned, I must begin to use.  
And so I, too,  
Step out, to make my way within the world  
As many and many a boy, and many a girl,  
Have done before.  
Do I excel in Math, or Chemistry  
Or is it English, French or History?  
It is none of these.  
What I learned best was only how to live,  
From day to day to seek and try to give  
That which would please.  
And so, although in arts I don't excel  
Sometimes I think it may be just as well,  
For I have more.  
Much more have I than man can hope to give  
From knowing who the ruler was of Spain.  
I've found the key.  
Live and let live, respect your fellow man!  
Don't push him down but help him just to stand,  
He'll do the rest.  
And you! Why, you will feel extremely blest,  
Just knowing that you, yes you, have passed the test.  
You've learned to live!
